Dear sir/Madam

My name is Brenda Wangiku. I am fourteen years old. I am going to form one next year. I came back here at Upendo in the year 2003.

The reason as to why I was brought to this children's home is because of the death of my parents. After the death of them, my grandmother and my grandfather would not pay my school fees. This is because, my grandmother and my grandfather had other children to take care of. As for this, they decided to bring me to this home and take care of my two brothers.

As I am in this children's home, I would like you to support me in clothing, food and Education. I would like you to support me in mostly education as I am heading to secondary school. from next year.

From your loving
Brenda Wangiku.
