Dear sir / madam

My name is Euclias Kambui. I am a 13 year old girl. I am in class seven looking forward to join class eight. I joined Upendo home in year 2005.

The reason why I came Upendo is because my parent was single and I was left with my grandmother who was a widow and was not able to provide all basic needs for me.

I would like to be supported in my Education up to university where I will have quality to help me attain my goals. I would also like to be supported with cloths because the cloths we used when we were small are no longer fitting us.

Yours faithfully
Euclias Kambui.
