Dear sir/madam

My name is Margaret Ngatu. I am 13 years old. I am in class seven heading to class eight. I came here in the year 2008. The reason that made me come here is that my mother Mary Nyambura passed away in the year 2000 leaving me and my twin sister Cecilia Wanjira under the care of my grandmother Loice Wairhuki. Due to old age and financial constraints, my grandmother was not able to provide me with basic needs.

Now I am glad to be in upendo because this is where I can achieve my goals. I also suggest you to support me with a sponsor who will cater for my secondary needs. I would like you to support me with clothes because the founder of the home is unable to buy for all of us because most of the money is spent on the high schoolers who do not have sponsors. I suggest school because some of the time we go to school bear fees. I would like to be supported with education until I go to university.

Yours sincerely
Margaret Ngatu.
